## WORKSHOP AND TRAINING

2019	Workshop of AMOS and SmarPLS, 2019. University of Putra Malaysia (UPM), Malaysia
2018	Sample size Calculation Workshop, 2018. . Social and Preventive Medicine, University of Malaya (UM). Malaysia.
2018	Systematic and Meta-analysis Workshop, 2018. University of Putra Malaysia (UPM), Malaysia.
2017	Multivariate Statistics course, 2017. University of Putra Malaysia (UPM), Malaysia.
2017	STATA Workshop (Basic , intermediate, Advance), 2017. University of Malaya (UM). Malaysia.
2017	Structural Equation Modelling (SEM-AMOS and LISERAL) workshop, 2017 .University of Malaya (UM). Malaysia.
2017	Regression Models Workshop, 2017. Social and Preventive Medicine, University of

	Malaya (UM). Malaysia.
2017	Qualitative Analysis Using NVIVO workshop, 2017. Social and Preventive Medicine, University of Malaya (UM). Malaysia
2017	Building Academic programs according to ABET Quality Standard Basic skills in teaching
2014	Advanced Rapid Response Training during Outbreaks and disasters, 2012. Jordan-The Eastern Mediterranean Public Health Network (EMPHNET) in cooperation with U.S.A. (CDC)
2014	Workshops in SMART survey steps and implementation in Yemen in 2014 Developing skills in the art of giving effective feedback
٢٠١٤	Global Outbreak Alert and Response Network (GOARN), 2014. Jordan-World Health Organization.
2014	Scientific writing workshop, 2014. Turkey- CDC,USA
2013	Workshops in community nutrition, Maternal and Child safehood, and analysis nutrition status in Yemen from 1990 to 2013
2012	Basic Rapid Response Training during Outbreaks and disasters, 2012. Jordan-The Eastern Mediterranean Public Health Network (EMPHNET) in cooperation with U.S.A. (CDC)

## PROFESSIONAL MEMBERSHIP

2006	Registered Medical doctor in Yemen Physician Sendicate.
2014	Member of EMTHNET in Eastern Middeternean region
2015	Registered member in the PUBLIC HEALTH IN THE ARAB WORLD
2014	Member of Global outbreak alret Response Network (GOARN).
2012	Registered member in Feild Epidemiology Training Program (FETP) of centers of disease Prevention and Control (CDC)

## EMPLOYMENT MAIN RECORD

1998-2001	General practitioner: 1998 to April 2001 in Al-Mahweet Province
2001-2003	Director of Rural Hospital of Al-Khabite Hospital, 2001 to January 2003
2005-2006	Dean of Faculty Medical Sciences; Al-Yamania University, Sanaá Yemen. End 2005 to 2006
2006-2008	Coordinator of Diseases Surveillance and Infection Control (Capital City Sana'a), 2006 to August 2008, WHO and MoPHP
2008-2009	Medical coordinator (Hajjah Governorate – Bany-Kays District), (Supervision, training of health workers, consultation of patients with malnutrition status), 2008 to August 2009, World Doctors Organization – France (Medicine Du Monde- MDM
2006-2012	I worked as an epidemiological diseases surveillance and immunization coordinator at the Health office in the capital city of Sana'a for 7 years (2006-2012).
2014-2015	Participate in training second and third of student in Yemen Field Epidemiology Training Program- FETP, 2012 to Dec. 2014, MoPHP- Yemen & Center for Diseases

	Control and Prevention (CDC).
--	-------------------------------

### Surveillance and infection control activities, field work (analysis and evaluations, etc)

2014	Situation analysis of occupational exposure to needle stick injuries and hepatitis B vaccination coverage among clinical laboratory staff in Sana'a, Yemen, 2014
2014	Evaluation analysis of Measles and Rubella in Al-Mahweet Governorate, 2014
2013	Rapid assessment report of the acute flaccid paralysis activities in Sa'ada Governorates, 2013
2013	Rapid assessment report of the acute flaccid paralysis activities in Amran Governorates, 2013
2013	Evaluation analysis of Measles and Rubella in Al-Hodiedah Governorate, 2013
2013	Evaluation analysis of Measles and Rubella in Hajjah Governorate, 2013
2012	Analysis of the National and Governorates Nutritional Surveys (Retrospective review the National and Governorates Nutritional Surveys during 1991 to 2012)
2012	Report on Under5 children Nutritional Status in Yemen, 1991-2012
2012	Evaluation report of acute flaccid paralysis activities in Sana'a governorate during 5-7 of June 2012
2012	Evaluation analysis of Measles and Rubella in Sana'a Governorate, 2012
2012	Evaluation analysis of Measles and Rubella in Al-Jawf Governorate, 2012
2012	Rapid assessment report of the acute flaccid paralysis activities in Taiz Governorates, 2012

### OUTBREAKS INVESTIGATION (FIELD WORK)

2016	Outbreak investigation (Food poisoning and Cholera) in Al-Bayda, and some of Yemen Governorates, 2016
2016	Outbreak investigation for suspected polio (AFP) in Hajjah, Al-Hodeidah, Taiz, Al-Jawf and Marib, 2016
2014	Outbreaks investigation (food and water poisoning) in Capital Sana'a City, and some of Yemen Governorates, 2014
2014	Analysis of the status of environmental safety and water quality related to the increase in communicable diseases transmitted in Al Hodeidah Governorate, 2014
2014	Risk assessment of pollution of the capital water due to the sewage treatment plant, 2014, Sana'a City
2012	Investigation Measles Outbreak in Sa'ada and Al-Jawf Governorates, 2012, Yemen
2012	Dengue outbreak in Refugee camp in Haradh at the Border with Saudi Arabia, 2012, Marib, Sa'ada, Al-Mukalla Governorates

### ADDITIONAL SKILLS

- Good communication skills with staff, students and other community personnel.

- Good experience in teaching in public health and biostatistics (basics and advanced)
- Preparation for Certificate Board of Infection Control and Epidemiology (CBIC)
- Providing help for staff, master students and PhD students in doing research
- Able to supervise master and PhD students in Public Health and Environment safety
- Able to conduct research (in terms of research inputs and outputs) with a team and independently).
- Good experience in designing teaching modules.
- Microsoft Office programs (Excel, PowerPoint, Word, Publisher)
- Very good skills in using SPSS, AMOSE, STATA, EPIINFO, SmartPLS and R- programs for data analysis, including the following methods and techniques:
  - Cleaning data and descriptive analysis.
  - Chi square test.
  - T- test and ANOVA. MANCOVA, Reliability assessment.
  - Repeated measurement analysis, Factor analysis.
  - Multivariate analysis; logistic, linear, ordinal and General linear regression, GEE
  - Others

## Languages

- Arabic language (Native Language).
- English Language (Advance; Speak, Read and Write)
- Russian Language (Advance; Speak, Read and Write)
